

INFORMATION FOR HIGH SCHOOL SENIORS IN THE YEAR 2013-2014

The Russian government has allocated **state grants** to the Ministry of Science, Education and Sports of the Republic of Croatia for the training of Croatian citizens at the University of Russia, at the expense of the state budget of the Russian Federation

Ministry of Science, Education and Sports of the Republic of Croatia is providing, for the use of NIS j.s.c. Novi Sad, 2 scholarships for the preparation and training of specialists in the oil and gas industry

Some of the best universities for oil and gas specialization in Russia have been selected in the training of NIS students. They are:

Russian State University
for Oil and Gas "Gubkin"

www.gubkin.ru

Technical University for Oil and Gas of
Ufa

www.rusoil.net

National University for Raw-
Minerals, "Gorny"

www.spmi.ru

Tyumen State Oil and Gas
University

www.tsogu.ru

1. Students will attend a specialized program «Oil and Gas Engineering», department «Exploration of Oil and Gas Deposits».

2. Training Duration - 5 years:

1. Year 2014. Students will be admitted (without entry examinations) to the preparatory school (year zero), where, during the first year, they will learn the Russian language, enhance their academic knowledge to the level of training standards in Russia ("EGE" single-state examination) and adapt to Russian student life.
2. Year 2015. Students will be accepted (without entry examinations) to the 1st year of studies, where they will study for 4 years.
3. September 1, 2014. Training commences.

3. After graduating from the University, the students will receive a diploma of higher education and a university degree ("Bachelor").

All students that will attend the training on behalf of NIS j.s.c. Novi Sad will get:

From the Russian Government	From NIS j.s.c. Novi Sad
Free universitz studies	Scholarship up to 580 EUR/Month
